

Hern Marine Family and Friends,

After much deliberation by our ownership and management team, we have decided it would be in the best interests of our employees and customers to adhere to the guidelines set forth by the governor and remain closed until Thursday April 30th. We apologize for any inconvenience this may cause you, but feel that this is our best chance at returning to normal operations sooner than later. For those of you who would like to communicate with us, please text us at (513) 874-2628 and we will respond in a timely manner. Lastly, our sales team will be monitoring all text messages and emails closely, while also being available for video walkthroughs on all of our new and pre-enjoyed inventory. Below are the personal emails of both the sales and service teams' that you can reach at any time:
